---

**5<sup>th</sup> - 8<sup>th</sup> June, 2019**

*Learn how India's finest schools do it*

Organized By  
**edu**Excellence

# THE WELHAM BOYS' SCHOOL

Nestled in the foothills of Himalayas, Welham Boys School in Dehradun began its journey back in 1937 and has today emerged to be one of the most renowned boys Boarding Schools in India.

With the aim of creating individuals who are "multi dimensional", the School has an innovative learning system that inspires its students to be excited about the pursuit of knowledge, have a broad world-view, think out-of-the-box, and be "driven" in whatever they may choose to do.

## Focus of Learning

- ✓ The School's environment encourages and empowers all its members to have a highly developed sense of responsible citizenship.
- ✓ It includes a deep sense of justice, an unshaken faith in secularism, an acute concern for our surroundings and an abiding belief in honesty and integrity.
- ✓ Inculcating out-of-the-box thinking and making students multi-dimensional in their interests.

### About the Host

Dr. Gunmeet Bindra is the first woman principal of - the Welham Boys' School, Dehradun. She is the recipient of 100 Highly Effective Principal award 2017. She also received the award of best principal in excellence in instructional leadership by NDTV education awards 2016.

**GUNMEET BINDRA**

Principal: Welham Boys' School, Dehradun

# Other Schools which will contribute in the learning process during the program

## THE DOON SCHOOL

The Doon School is the No. 1 boarding school in India for much of its history and over the years, more than 40 of its teachers have gone on to lead other public schools around the country, helping the school to fulfill its mission to serve a meritocratic India.

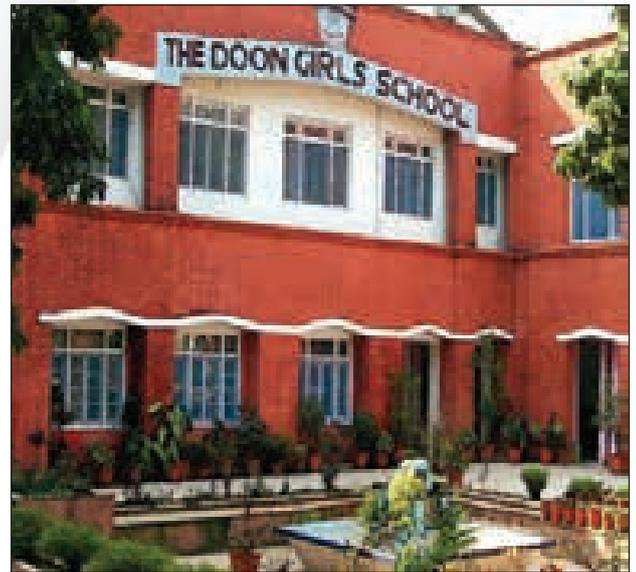

The greatest strengths of the school spring from the quality of the human relationships throughout the community and the sense of companionship. The school environment encourages a firm sense of community and helps to develop friendships that will be sustained throughout the life.

## THE DOON GIRLS' SCHOOL

The Doon Girls' School is an exclusive residential primary school in Dehradun, the capital of Uttarakhand and home to some of India's finest school. Their mission is to prepare young girls for the best secondary schools in a nurturing environment. A happy environment in which their students not only achieve excellence in academics but also grow as individuals.

The school was founded in 2000 to address the need for a best high- quality preparatory school for girls. It is situated on a secluded, tree lined 2 acre campus in the exclusive residential colony of Dalanwala next door to Welham Girls' School's former junior section.

## Focus of Learning

- ✓ Exploration of students to a wide range of activities: book fair, educational trips, museums etc; as they believe that education is not confined to classroom.
- ✓ Giving students space and time and encouraging them to be creative and expressive
- ✓ Their primary aim is to motivate children to strive for academic excellence in a happy environment
- ✓ Development of the students in all aspects including cultural, sports and inculcating good values amongst them

“ Opportunity  
for school leaders  
to get in-depth insights  
on what goes into  
managing a school with  
a mission to have a  
national impact ”

## Revisiting History

Interacting with the past teachers of schools. Understand what had gone into laying the foundation of such great schools. Also understanding the support provided by city and its people in the journey of these institutions.

## Meeting Support Structures

Together these institutes boast of 15000+ strong alumni, many of which have contributed at national level and are now have their kids studying in the school. Some of them are also a part of the management committee.

Learn how these alumni and parent body have supported their school and the key ingredients to replicate the same magic in your school.

## Program Objectives

- ◆ As a leader, monitoring, promoting and evaluating the professional development of teachers
- ◆ Grow a school into a happy and knowledgeable place for students and others
- ◆ Learn how senior leaders allocate responsibilities to an appropriate person
- ◆ Developing students in all aspects not just in academics
- ◆ Learn practices like teacher appraisal from experts

# UNDERSTANDING PROCESSES

## Teacher Development Processes

Learn how these schools have been able to retain some of the best talent and nurture them into able leaders and administrators.

## Learn best Global & Indian Education Practices from Experts

These visits will be co-hosted by school education domain experts giving participants time to discuss and identify the similarities and compare the differences.
